OFFICE OF THE GENERAL MANAGER, GOVERNMENT SANDALWOOD OIL FACTORY, MYSORE-4.

Notification dated 17th December 1968

Subject :- Clearence of spent, wood from the Still Room, Drying and transporting the same to the Boiler House etc., during the year 1969-70

Ref. No. F. 26/P/68-69. Sealed tenders are invited for taking up the contract works relating to Drying spent wood powder and transporting the same to the Boilers, etc., at the Factory during the Official Year 1969-70.

2 Intending tenderers are required to specify the rates per Metric Tonne (1000 Kgs.) separately for each item mentioned in the Schedule to this Notification.

3 Tenders will be received at the Factory Offices up to 4 P.M. on 23rd January 1969 (Thursday), which will be opened at 4-30 P.M. on the same day.

4 Tenders should be sent in sealed covers and the full postal address of the tenderer should be furnished in the tender. An earnest money deposit of Rs. 500/-(Rs. Five Hundred only) should be paid at the Factory Office before the date and time specified, *viz* 4-00 P.M. on Thursday the 23rd January 1969 and the receipt therefor obtained from the General Manager of the Factory should be indicated in the tender. Cheques wil not be acepted for earnest money deposit referred to above and request for adjustment of any amount that might be due by the Government to the tender on any other account will not be entertained. Tenders for which no earnest money deposit is paid and which are not received before the stipulated time will not be considered. The tenderers may if they desire, be present in person on the date of opening the tenders.

5 The General Manager, Government Sandalwood Oil Factory, Mysore is at liberty to accept or reject any tender without assigning any reason therefor and his decision is final. No complaint of the tenderer in this behalf will be considered. The General Manager reserves the right of entrusting the items of work to one party or separately to more than one contractor according to his discretion. Reasons will not be furnished for rejection of any tender.

6 Every tenderer should quote the rates for each item both in words and figures and tenders containing corrections of any kind without attestation will not be considered. If corrections are necessary, they should be clear and be duly attested by the tenderer with his full signature and date.

7 The tenderer whose tender is accepted by the Management should within one week from the date of intimation of acceptance of the tender, pay a sum of Rs. 2,000/- (Rs. Two Thousand only) in case the solvency certificate to the value of Rs. 5,000/- is not produced. In case of production of solvency, the deposit will be Rs. 1,000/-(Rs One Thousand only), in cash only, as Security Deposit to the Factory Office for the due fulfiument of the terms of contract and should execute the necessary agreement on a stamped paper of the value of Rs. 2-25 p. duly incorporating all the terms and conditions that the Management requires He should also start the work by the date fixed by the Management. If the tenderer fails to comply with any of the requirements mentioned above, the contract may be treated as cancelled at the option of General Manager, Government Sandalwood Oil Factory, Mysore and the earnest money deposit and also the Security Deposit paid by the tenderer are liable to be forfeited to Government. The General Manager, Sandalwood Oil Factory, Mysore reserves the right to re-tender the work and the loss incurred by the Management thereby, if any will be recovered by the Management from the defaulting tenderer as arrears of land revenue. The tenderer is not entitled to any profit arising from re-tendering the work.

8 Intending tenderers should attach the Solvency Certificate also along with the Sales-tax and Income-tax clearence Certificate to the tender. The solvency certificate should be one issued by the Officer not below the rank of Tahsildar of the place or the President of the Municipality concerned. The Solvency Certificate should be of one not issued within a period of three months prior the date of the tenders. The Income-tax and Sales Tax-clearence Certificates should relate to the latest period. If the Solvency Certificate reffered to above is not attached to the tender, the tender will be liable to be rejected if on account of any special difficulties, the Sales tax and Income tax Clearence Certificates are not produced alongwith the tender, some time not exceeding one week from the acceptance of the tender may be allowed by the Management to the successful tenderer to produce the above certificates before he is entrusted with the work. If he fails to produce them before the date referred to above, the earnest money deposit paid by the said contractor for the tender will be forfeited to Government and his case will not be considered for the grant of the contract under the tender. In such an event, the Management will be at liberty to get the work done in any manner at their discretion and make the defaulting tenderer liable for any loss which may occur to the Factory on account of his fault.

9 The tenderer whose tender is accepted by the Management and who has executed the necessary agreement referred to in para 7 above, should see that the factory work does not suffer and that no loss occurs to the factory by delay on his part in executing the work entrusted to him. In case timely arrangements are not made by the contractor to execute the itemes of work entrusted to him and the Management finds it necessary to get the work done by making alternative arrangements, the expenditure incurred by the Management on this account will be recovered from the contractor. The amount will be charged to his account and will be deducted out of the amounts of the bills preferred by the contractor for work done. If the contractor's work is found to be unsatisfactory, the Management reserves the right to cancel the contract and enforce the penal clause of for forfeiting earnest money deposit and Security Deposit and recovery of loss sustained by the Management as sitpulated in para 7 of this Notification.

10 Sales tax or any other tax that may have to be paid in connection with this contract should be borne and paid by the contractor himself.

11 Employer's special contribution payable to the State Insurance Corporation will be recovered by the Management from the contractor out of the bills for work done and preferred by him on the factory.

12 No application for enhancement of the rates once tendered for and acceptad will be entertained.

13 The approved contractor will have no right to transfer the contract or to sublet the same to any other party.

14 The Management does not take the responsibility for providing to the contractor throughout the year and the work required to be carried out by the contractor may vary according to circumstances at the discretion of the Management.
